experience of aesthetic Home décor solution under one roof.

WHAT WE DO?

Every small aspect that is added to your home will contribute to setting up the ambience, one strives to bring in their home. We are here to coordinate them for you. Every decor has to be spaced and dressed a certain way to play the part. Every home has its drama, wall to wall as an expert will coordinate the play in a way that you sit back with your legs crossed and enjoy the essence of it.

FALSE CEILING

An artistic touch to light up your space, while resisting the heat transmission inside is the pure purpose. Also, this optimizes the air-conditioning and serves to be one of the best interior aspects of your home décor. Designer stretch ceiling adds charm to your space. This will provide room to improve the style of your ceiling a little more .

CURTAINS

Adding accent to the windows and controlling heat and light helps you to have a happy atmosphere around you. We have a wide range of collection of fabric from which you can select the one for you and also the respective automation required.

PAINTING

Finish your walls in flying colors triggering an array of emotions. Enjoy all your favorite hues in your style. Adding colors to your home is like bringing a smile to your face. We are associated with the best brands to provide you the best possible look.

WALLPAPER

Let your walls speak.
Easy to install | Easy to
replace art decor for your
walls. Also, we do have a
huge collection of 100+
catalogues for you to
choose from.

LIGHTS

A two in one add-on to your home. The decor itself is an added beauty to your space; as an added advantage, they come in all shapes and sizes. So LIGHT UP!

STONE CLADDING

Adorn your walls with natural stones capturing the essence of the land which sets up an ambience, keeping you connected with nature and the life around you. We have a collection which can be matched to any style of your interior design theme and will give the right feel to your space.

BLINDS

Treat your windows right to get the right amount of light inside your space. They are little different from curtains, but lot of styles and options available. Also, Customizable. You do have specific options for the exterior spaces which can be easily maintained as well. You can customize them according to the purpose of your room.

DESIGNER HEAD BOARDS & CUSHIONING

We help you to choose the right kind of bedding and cushioning option to make you not leave the bed! Options range from different types of fabric to an amazing array of patterns.

BATHROOM PARTITION

Organizing a Space is important even for a Bathroom. Probably the most personal space in your home for every one of you, so providing privacy for the same is paramount.

CNC PARTITIONS

Let's make organizing fun!
Any pattern that you like
can be incorporated and
made into a partition for
your home. A personalized
Partition to provide privacy
which by itself is a beautiful
décor to your lovely home.

WOODEN FLOORING

This is to keep you grounded. The most effective idea to naturalize your space creatively and beautifully. Floors can change the dynamics of the space; they play a huge role in the ambience of the room. We have a very special collection which will be a beautiful enhancement to your space.

ARTIFICIAL GRASS FLOORING

Let the compact spaces not restrain you from bringing the garden home.

This is artificial yet an artistic decor to enjoy. A luxury private garden feel inside your home with all shapes and sizes is what you get.

MOSQUITO NET

Protect you and your family. Wherever you are, we want you to be safe and sound. We provide a variety of protective nets. Do not worry about the clear view or functionality; check out what we have and be amazed.

MURALS

One of the oldest forms of art, which has travelled along time all this way. The right art will take you to the Zen space of inner peace. Art always radiates a certain energy depending on their characteristics. So, choose the right one for your home which can induce positivity all around you.

STRETCH CEILING

Bring life to your ceiling, make them do as you like. Give in to your temptation and add your creativity. To top that they are waterproof, protecting rooms from the risk of leaks and floods. If a leak does occur the ceiling expands to accommodate the water and once this is safely removed it returns to its original form and of course we can get it done for you.
